CUISINE

At Pandaw, we offer a wide selection of local and exotic cuisine, sourcing ingredients locally while adhering to strict environmental health standards.

DAYTIME ACTIVITIES

While many passengers prefer quiet activities like reading, writing, painting, or photography, we also offer traditional social activities on every Pandaw river expedition.

SPA & FITNESS

The Pandaw Spa offers head massage, foot massage and body massages in dedicated spa areas.

EVENING ENTERTAINMENT

Themed movie nights are also popular - the film Indochine in Vietnam, The Killing Fields in Cambodia and The Lady in Burma are some of the favourites.

CYCCLING

Imagine making your own discoveries by bike through the pagodas and temples of Pagan or exploring the scenic Burmese countryside and friendly villages at your own pace.

Your Suite

A variety of Suite are often made available across the fleet of seventeen ships. They do vary but typically include the following examples. We are often unable to show rates for each style of Suite, so please inquire.

The Pandaw Suite is the epitome of colonial luxury, with double sized cabins and private balcony, there is no better way to experience the waterways of Asia.

The spacious suites, measuring 336 square feet, include private balcony, lounge, espresso machine and mini-bar, welcome bottle of champagne (available at your leisure) & personal on call valet service and are finished with brass and teak in the same unique Pandaw style that has won us much admiration over the years.

The Pandaw Suites are ideal for guests seeking the same distinct Pandaw experience but with added comfort and space.

The Pandaw stateroom is the most celebrated feature of our ships, combining splendid colonial-era character with exquisite contemporary comfort.

Finished in brass and teak, the main and upper deck rooms are a spacious 168 square feet (15.6 sqm), with the exception of the Zawgyi Pandaw which is 150 square feet (14 sqm). As the space is much loved by all our passengers, we have ensured that with each ship we build, the stateroom remains essentially the same. Be advised: our cabins do not have mini-bars, satellite TV's, internet access or telephones. Passengers tend to choose Pandaw in order to escape from the tiresome features found in international business hotels.

PANDAW ITINERARIES

Pandaw - Halong & Red River

10 Nights - Discover the best of Northern Vietnam

Each ship, hand-crafted in brass and teak, is an object of beauty in itself. A Pandaw adventure is very different from that offered on an ocean-going cruise. The ships are small scale, and the atmosphere is informal, and very friendly.

On a Pandaw ship travellers are able to explore the key sites of Northern Vietnam by river ship traversing the Red River delta and its main tributaries, connecting the wonders of Halong Bay with the excitements of downtown Hanoi, and then on into the interior, well off the beaten track. This is a combination of scenic beauty, lively and interesting (sometimes industrial) life of the river and exploring rivers where no other tourist craft operate.

Sailing deep into Highland Vietnam we will discover the mountain villages and a number of tribal areas. We will go as far as is navigable up the Song Red River and then down the little known Da or Black River. Note that this is a real river expedition and itineraries and schedules very much subject to change due to uncertain local conditions.

Enjoy the splendour of Laos on Pandaw's 10 night expedition on the Upper Mekong. Sailing between Chiang Khong on the Thai-Laos border, and through Laos toward Vientiane, the old French capital, you will witness stunning scenery, meet amazingly warm and friendly locals and learn about Laos' national animal, the majestic elephant. We stop for three nights at the UNESCO World Heritage City of Luang Prabang with its dazzling wood-carved monasteries before heading deep into the mountains, through rapids and gorges on our high-powered little Pandaw vessels.
